Provides information to teachers and parents to aid in the teaching of students with attention deficit hyperactivity disorder, Tourette Syndrome or Obsessive-Compulsive Disorder. A reviewer says: "A marvelous compendium of wisdom, gained through experience. This book will prove to be a frequently used reference for anyone involved with children and adults who suffer from these invisible neurological handicaps . . . every chapter is of practical use and assistance. These two writers understand what every child and adult go through when they suffer from these conditions . . . I cannot recommend the book enough. I know that it will become a desk manual that I will use on a regular basis." (See related book ADHD: A Survival Guide for Parents and Teachers).
